GREETINGS FROM THE PRESIDENT

President
World Fullcontact
Karate Organization

Kenji Midori

I would like to express my sincere gratitude to all those who have supported in holding the 19th All Asia Fullcontact Karate Championship at the Rangsit University Gymnasium in Bangkok, Thailand.

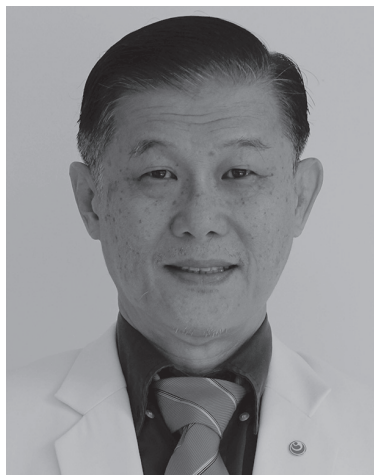

As being a selection for the representatives from the regions of Asia and Central Asia, this championship will also be the gateway towards the 1st World Fullcontact Karate Championship held in Ariake Arena located at the center of Tokyo, Japan on May 31st – June 1st, 2025.

I trust that all the competitors who will participate in the championship have been accumulating daily training and practicing hard. I hope that you all will demonstrate the result of your training, fight fair and square until the very end, and aim for the glorious honor of being the best in Asia. I wish you all the best in your endeavors to win the right to challenge for the WFKO World Championship, the highest level of Fullcontact Karate Championship.

I hope that everyone who attends today's event will be able to enjoy the uniqueness of offensive and defensive tactics of Fullcontact Karate and the forefront of its evolution, and feel the martial arts spirit that is at the core of the sport through every movement of the competitors.

Finally, I would like to convey my heartfelt respect not only to Mr. Fumiaki Nagashima, Vice President of Asia region and Country Representative of WKO Thailand, who has made a great effort to organize this championship, but also to all the people involved who have been significantly supporting the holding of this event and wish for the future development and expansion of the Asia region.

Osu

President WKO Asia

J. B. Sujoto

After being postponed several times due to the Covid-19 outbreak and several other obstacles, WKO Thailand finally managed to hold the 19th Asia Open Karate Championship in Bangkok.

This is thanks to the hard work of Shihan Fumiaki Nagashima as the Country Representative of WKO Thailand and also as Vice President of WKO Asia.

On this opportunity, I would like to congratulate Shihan Fumiaki Nagashima on his success in presenting this international championship.

In addition to WKO Asia members consisting of 25 countries, we also invite several other countries to participate in this championship. I am sure that the quality of this competition is of a high level so that the fighters who will win this match are worthy of representing the WKO Asia region to compete in the 1st WFKO Championship in May 2025 in Tokyo.

Every year there are always international championships held both in Japan and in other countries that are members of WKO. This has made WKO the largest and strongest organization in the world supported by 106 countries as members to date.

The founder of Kyokushin Karate, the late Sosai Masutatsu Oyama, would surely be very happy to see his teachings on budo karate still upheld and disseminated by WKO Shinkyokushinkai all this time.

I welcome all delegates who took part in this event.

Good luck and keep up the good sportsmanship.

Osu,

Ambassador Extraordinary and
Plenipotentiary of Japan to
the Kingdom of Thailand

Otaka Masato

I would like to extend my warmest congratulations to the 19th All Asia Full Contact Karate Championship 2024. As Japanese Ambassador in Thailand, I am very pleased that Thailand has been chosen as the venue outside Japan for the championship, where karate athletes from the Asia region can fully show the results of their disciplined training.

Karate is the one of the Japanese traditional cultures that provides both physical and mental training aimed at character-building, which is also a sport that people of all ages can enjoy practicing. And, I am very pleased that karate has been accepted and enjoyed worldwide.

I would like to take this opportunity to welcome all Karate athletes, referees and delegations from the participating countries of the Asia region. I am confident that this will promote mutual understanding and that Karate will expand far and wide through such activities. I hope that this Karate championship will achieve great success through the spirited efforts of all the athletes.

Asst. Professor of Rangsit University
Asst. to the President for Sport Institution
President of the Thailand Jujitsu Sports Association

Dr. Chanchai Sukswan

Good morning ladies and Gentlemen,
On behalf of Rangsit University

I am glad to welcome all of you to Karate Championship Bangkok Thailand 2024,
let enjoy and have fun on our big day!

Please relax and feel free because here is your home!

Thank you

Vice President of WKO Asia
Country representative of WKO Thailand
Branch Chief of Shizuoka prefecture of WKO Japan

Fumiaki Nagashima

I'd like to begin by expressing my sincere gratitude to everyone involved in organizing and hosting this Championship. This is the 19th Asia Full Contact Karate Championship, marking 40 years of consecutive events.

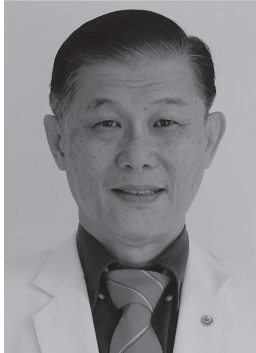

It is with pride and pleasure that I announce the first-ever championship to be held here in Thailand. This event serves as a preliminary to the World Championship which will be held in Japan next year.

To all participating athletes, I wish you the best as you strive to earn the right to participate on the world stage. Additionally, as this is the first time the Championship will be held in Thailand, I have high hopes that it will greatly promote the popularity of Karate, the Japanese martial art, within Thailand. We, at the Shinkyokushinkai Thai Division, will continue our efforts to build resilient bodies and minds, and we look forward to your continued support.
